- A 3 column web page with the recipe on the right, user photos of the recipe in the middle and health benefits on the right
- Users can save this recipe to their profile by clicking the button if they are interested in trying it out

Connect Page:

- Inherit rotating banner / nav bar / footer from home page.
- The contact page mainly consists of a form where the users can fill out a comment text box with their contact information.
- Once submitted, the form is packed up and sent to us, and the user gets confirmation information on the same page.
- A drop-down menu can be added to allow the user to first classify the request before entering the comment text box.
- We may also add buttons to "leave a like", "share to a friend", "become a patron" here.
